

Independent Love Song – Scarlet

You could say this was
An independent love song
It's nothing like to us
What love meant to them
That's not to say the love we had
Isn't big or that strong
I'm doing it a different way,
I'm doing it a different way
You might say this is
Another boring love song
To be together and forever be true
And so today is much the same as it was then
I'm doing it a different way,
I'm doing it a different way
I'll show you how to take me
Go down, go down
Oh, I'll show you how to turn me
Right on, right on
Oh, I'll show you how to touch me
Right on, right on, right on
Right on, right on, right on
Now it's find that many men will look my way
And I'll take them home
And let them show me the way
And sure I'll like a few
But I leave the rest to play
I'm doing it a different way,
I'm doing it a different way
I'm gonna show you how to take me
Go down, go down
Oh, I'll show you how to turn me
Right on, right on
Oh, I'll show you how to touch me
Right on, right on, right on
Right on, right on, right on
In a different way, in a different way,

In a different way
In a different way,
In a different way, in a different way
In a different way,
In a different way, in a different way
In a different way (way, whoa)
Oh, I'll show you how to take me
Go down, go down
Oh, I'll show you how to turn me
Right on, right on
Oh, I'll show you how to touch me
Right on, right on, right on
Right on, right on, right on
You could say this was
An independent love song
It's nothing like to us
What love meant to them
But that's not to say the love we have
Isn't good or that strong
I'm doing it a different way,
I'm doing it a different way
