

# I Try – Schiller Feat. Nadia Ali

I know you don't believe me  
When I say it's gonna be alright  
I know you're tired of tryin'  
When you feel your soul is dyin' inside  
But you can count on me  
I live for you  
You can lean on me  
Believe it's true!  
You know that I try, I try, I try,  
I try to make you feel alright  
You'll find, you'll find, you'll find  
Me in the middle of the night  
I am your's to love  
Every word escapes me  
When I think of all the things I lost  
Everywhere my head turns  
It's a dead-end road, I know  
But you can count on me  
I'm here for you  
You can lean on me  
Believe it's true!  
You know that I try, I try, I try,  
I try to make you feel alright  
You'll find, you'll find, you'll find  
Me in the middle of the night  
I am your's to love,  
I I  
I am your's to love  
I a m  
Your's to love,  
Your's to love!  
Mmmhh, yeah  
You know that I try, I try, I try,  
I try to make you feel alright  
You'll find, you'll find, you'll find  
Me in the middle of the night

I am your's to love,  
Fi nd  
I am your's to love
