

# Dream of you – Schiller (FILATOV & KARAS MIX)

I've been here all the time  
As far as i know doing right  
I've always waited for the moment  
That you would come through my door  
But this brought loneliness so far  
I lay my hand onto my heart  
Is this the life i want to live  
Is this the dream i had of you  
Now i'm standing here alone  
Waiting on my own  
For something that will fill the emptiness  
Inside the moment that you mind  
But this is loneliness i know  
I lay my hand onto my soul  
Is this what life has got to give  
Is this the dream i had of you  
The dream i had of you

But this brought loneliness so far  
I lay my hand onto my heart  
Is this the life i want to live  
Is this the dream i had of you  
The dream i had of you
