

Break It Up – Scooter

Where in the world, where in the world
Where in the world did I get this hurt
I don't mind, yeah I don't mind
If you call me bad call me wrong
Call me anything but your own
I don't mind yeah, I don't mind

I don't care if you leave me
I don't care if you go away
I don't care if you wanted this
I don't mind

Break it up, break it up
Break it up, break it up my love
If you think that you can't stay with me
Break it up my love
Break it up, yeah break it up
Break it up, just break it up

So where in the world where in the world
Where in the world can I hide this hurt
I don't mind, yeah I don't mind
If you call me sad, call me strong
Strong enough to make it on my own
I don't mind, yeah, I don't mind

If you tear down your walls inside
Go for a brand new ride
But baby please don't tell me so

Break it up, break it up
Break it up, break it up my love
If you think that you can't stay with me
Break it up my love
Break it up, yeah break it up
Break it up, just break it up

Break it up, break it up
Break it up, break it up my love
If you think that you can't stay with me
Break it up my love
Break it up, yeah break it up
Break it up, just break it up
