

# Still loving you – Scorpions

Time

It needs time

To win back your love again

I will be there

I will be there

Love

Only love

Can bring back your love someday

I will be there

I will be there

Fight

Babe, I'll fight

To win back your love again

I will be there

I will be there

Love

Only love

Can bring down the wall someday

I will be there

I will be there

If we'd go again

All the way from the start

I would try to change

The things that killed our love

Pride has built a wall, so strong

That I can't get through

Is there really no chance

To start once again?

I'm loving you

Pride has built a wall, so strong

That I can't get through

Is there really no chance

To start once again?

If we'd go again

All the way from the start

I would try to change

The things that killed our love  
If we'd go again  
All the way from the start  
I would try to change  
The things that killed our love  
I'm still loving you  
I'm still loving you
