

Wind of change (LIV do duetu) – Scorpions

TY: I follow the Moskva
Down to Gorky Park
Listening to the wind of change

JA: An August summer night
Soldiers passing by
Listening to the wind of change

TY: The world is closing in
Did you ever think
That we could be so close, like brothers

JA: The future's in the air
I can feel it everywhere
Blowing with the wind of change

TY: Take me to the magic of the moment
On a glory night
Where the children of tomorrow dream away
In the wind of change

JA: Walking down the street
Distant memories
Are buried in the past forever

TY: I follow the Moskva
Down to Gorky Park
Listening to the wind of change

JA: Take me to the magic of the moment
On a glory night
Where the children of tomorrow share their dreams
With you and me

TY: Take me to the magic of the moment
On a glory night
Where the children of tomorrow dream away
In the wind of change

TY: The wind of change
Blows straight into the face of time

JA: Like a stormwind that will ring the freedom bell
For peace of mind

TY: Let your balalaika sing
What my guitar wants to say

JA: Take me to the magic of the moment
On a glory night
Where the children of tomorrow share their dreams
With you and me

TY: Take me to the magic of the moment
On a glory night
Where the children of tomorrow dream away
In the wind of change
