

Lana Del Rey – Season of the witch

Mm

Mm

When I look out my window

Many sights to see

And when I look in my window

So many different people to be

They're strange, so strange

It's very strange to me

You've got to pick up every stitch (gonna be)

You've got to pick up every stitch

You've got to pick up every stitch

Oh no, must be the season of the witch

Must be the season of the witch

Must be the season of the witch

When I look over my shoulder

What do you think I see? (Mm)

Some other cat looking over

Over his shoulder at me (ah, at me)

And he's strange, so strange (so strange)

He's very strange to me

You've got to pick up every stitch (gonna be)

You've got to pick up every stitch

Beatniks are out to make it rich

Oh no, must be the season of the witch

Must be the season of the witch

Must be the season of the witch

Witch

Witch

Said it must be the season the season

Said it must be the season

Said it must be the season, the season

Said it must be the season

Said it must be the season

(Must be the season of the witch)

Witch (must be the season of the witch)

Witch
