Careless Whisper - Seether

I feel so unsure As I take your hand, And lead you to the dance floor As the music dies Something in your eyes Calls to mind a silver screen And all it's sad goodbyes I'm never gonna dance again Guilty feet have got no rhythm Though it's easy to pretend I know you're not a fool I should have known better Than to cheat a friend And waste a chance that I'd been given So I'm never gonna dance again The way I danced with you Time can never mend The careless whispers Of a good friend To the heart and mind Ignorance is kind There's no comfort in the truth Pain is all you'll find And I'm never gonna dance again Guilty feet have got no rhythm Though it's easy to pretend I know you're not a fool I should have known better Than to cheat a friend And waste a chance that I'd been given So I'm never gonna dance again The way I danced with you Tonight the music seems so loud I wish that we could lose this crowd Maybe, it's better this way

We'd hurt each other with the things

We want to say
We could have been so good together
We could have lived this dance forever
But now, who's gonna dance with me?
Please stay
And I'm never gonna dance again
Guilty feet have got no rhythm
Though it's easy to pretend
I know you're not a fool
I should have known better
Than to cheat a friend
And waste a chance that I'd been given
So I'm never gonna dance again
The way I danced with you
