

# Good for You – Selena Gomez

I'm on my fourteen carats  
I'm fourteen carat  
Doing it up like Midas, hmm  
Now you say I got a touch  
So good, so good  
Make you never wanna leave  
So don't  
So don't

Gonna wear that dress you like, skin-tight  
Do my hair up real, real nice  
And syncopate my skin to your heart beating

'Cause I just wanna look good for you  
Good for you, oh oh  
I just wanna look good for you  
Good for you, oh oh  
Let me show you how proud I am to be yours  
Leave this dress a mess on the floor  
And still look good for you  
Good for you, oh oh, oh oh o

Oh oh, oh oh o  
Hmm

I'm on my marquise diamonds  
I'm a marquise diamond  
Could even make that Tiffany jealous  
Hmm  
You say I give it to you hard  
So bad, so bad  
Make you never wanna leave  
I won't, I won't

Gonna wear that dress you like, skin-tight  
Do my hair up real, real nice

And syncopate my skin to how you're breathing

'Cause I just wanna look good for you

Good for you, oh oh

I just wanna look good for you

Good for you, oh oh

Let me show you how proud I am to be yours

Leave this dress a mess on the floor

And still look good for you

Good for you, oh oh, oh oh o

Oh oh, oh oh o

Hmm

Trust me, I can take you there

Trust me, I can take you there

Trust me, I, trust me, I, trust me, I...

Just wanna look good for you

Good for you, oh oh

Baby, let me be good to you

Good for you, oh oh

Let me show you how proud I am to be yours

Leave this dress a mess on the floor

And still look good for you

Good for you, oh oh, oh oh o

Oh oh, oh oh o

Trust me, I, trust me, I, trust me, I
