

how does it feel – Selena Gomez

I sip it in the way he likes
Ruby red, locking eyes
Lipstick kisses with no ice
On the edge, paradise
'Cause you walked in, big-ass grin
Talkin' like we're friends,
honey, what were you thinkin'?
He loves me, I love him
Look at you, just look at you now
You're so embarrassing
Go cry when no one's watchin'
I can't imagine it
How does it feel to be forgotten (Ah)
, be forgotten? Ah-ah
How does it feel?
I hope one day you heal
How does it feel to be forgotten? Forgotten
I know it must be difficult
I know that it is not what you thought, no
'Cause you walked in, big-ass grin
Talkin' like we're friends, honey,
what were you thinkin'?
He loves me, I love him
Look at you, just look at you now
You're so embarrassing
Go cry when no one's watchin'
I can't imagine it
How does it feel to be forgotten (Ah),
be forgotten? Ah-ah
How does it feel?
I hope one day you heal
How does it feel to be forgotten?
Forgotten
Outro
