

## Same old love (acoustic) – Selena Gomez

Take away your things and go  
You can't take back what you said, I know  
I've heard it all before,  
At least a million times  
I'm not one to forget, you know

I don't believe, I don't believe it  
You left in peace, left me in pieces  
Too hard to breathe,  
I'm on my knees right now, 'ow

I'm so sick of that same old love  
That shit, it tears me up  
I'm so sick of that same old love  
My body's had enough  
Oh, that same old love  
Oh, that same old love  
I'm so sick of that same old love  
Feels like I've blown apart  
I'm so sick of that same old love  
The kind that breaks your heart  
Oh, that same old love  
Oh, that same old love

I'm not spending any time,  
Wasting tonight on you  
I know, I've heard it all  
So don't you try and change your mind  
Cause I won't be changing too, you know

You can't believe, still can't believe it  
You left in peace, left me in pieces  
Too hard to breathe,  
I'm on my knees right now, 'ow

I'm so sick of that same old love

That shit, it tears me up  
I'm so sick of that same old love  
My body's had enough  
Oh, that same old love  
Oh, that same old love  
I'm so sick of that same old love  
Feels like I've blown apart  
I'm so sick of that same old love  
The kind that breaks your heart  
Oh, that same old love  
Oh, that same old love

I'm so sick of that, so sick of that love  
I'm so sick of that, so sick of that love  
I'm so sick of that, so sick of that love  
I'm so sick of that, so sick of that love

I'm so sick of that same old love  
That shit, it tears me up  
I'm so sick of that same old love  
My body's had enough  
Oh, that same old love  
Oh, that same old love  
I'm so sick of that same old love  
Feels like I've blown apart  
I'm so sick of that same old love  
The kind that breaks your heart  
Oh, that same old love  
Oh, that same old love
