

# Wolves – Selena Gomez x Marshmello

In your eyes, there's a heavy blue  
One to love and one to lose  
Sweet divide, a heavy truth  
Water or wine, don't make me choose

I wanna feel the way that we did that summer night, night  
Drunk on a feeling, alone with the stars in the sky

I've been running through the jungle  
I've been running with the wolves  
To get to you  
To get to you  
I've been down the darkest alleys  
Saw the dark side of the moon  
To get to you  
To get to you  
I've looked for love in every stranger  
Took too much to ease the anger  
All for you  
Yeah, all for you  
I've been running through the jungle  
I've been crying with the wolves  
To get to you  
To get to you, oh to get to you

Haa haa ha haa to get to you  
Haa haa ha haa to get to you

Your fingertips trace my skin  
To places I have never been  
Blindly I am following  
Break down these walls and come on in

I wanna feel the way that we did that summer night, night  
Drunk on a feeling, alone with the stars in the sky

I've been running through the jungle  
I've been running with the wolves  
To get to you  
To get to you  
I've been down the darkest alleys  
Saw the dark side of the moon  
To get to you  
To get to you  
I've looked for love in every stranger  
Took too much to ease the anger  
All for you  
Yeah, all for you  
I've been running through the jungle  
I've been crying with the wolves  
To get to you  
To get to you, oh to get to you

Haa haa ha haa to get to you  
Haa haa ha haa to get to you

I've been running through the jungle  
I've been running with the wolves  
To get to you  
To get to you  
I've been down the darkest alleys  
Saw the dark side of the moon  
To get to you  
To get to you  
I've looked for love in every stranger  
Took too much to ease the anger  
All for you  
Yeah, all for you  
I've been running through the jungle  
I've been crying with the wolves  
To get to you  
To get to you, oh to get to you
