

# I could fall in love – Selena Quintanilla Perez

I could lose my heart tonight  
If you don't turn and walk away  
'cause the way I feel I might  
Lose control and let you stay  
'cause I could take you in my arms  
And never let go

I could fall in love with you, (baby)  
I could fall in love with you, (baby)

I can only wonder how  
Touching you would make me feel  
But if I take that chance right now  
Tomorrow will you want me still  
So I should keep this to myself  
And never let you know

I could fall in love with you, (baby)  
I could fall in love with you, (baby)

And I know it's not right  
And I guess I should try  
To do what I should do  
But i could fall in love, (mb)  
Fall in love with you, (baby)  
I could fall in love with you, (baby)

Siempre estoy  
So'ando en ti  
Besando mis labios,  
Acariciando mi piel,  
Abrazandome  
Con ansias  
Imaginando que me amas  
Como yo podia amar a ti

So I should keep this to myself  
And never let you know

I could fall in love, with you  
I could fall in love, with you  
I could fall in love! I could fall in love !  
With you!, (baby)

I could fall in love, fall in love with you! (baby)
