

# Baby – Serj Tankian

You came to me within a dream  
Not everyone is who they seem  
All these words we can't redeem  
Like the great magic of our world  
Corroborated by your words  
Splitting planets into thirds  
Baby, oh baby  
Baby, my baby  
Baby, oh babe  
I miss you, la, la, la, la  
Baby, oh baby  
Baby, my babe  
Baby, oh babe  
I miss you  
To all the leaves that fall in vain  
While God and Goddess go insane  
All these words in your domain  
The watches kill time as the books read  
Inadvertently we bleed  
Fighting for what we deceive  
Baby, oh baby  
Baby, my baby  
Baby, oh babe  
I miss you, la, la, la, la  
Baby, oh baby  
Baby, my babe  
Baby, oh babe  
I miss you  
Leave me alone  
Leave me alone  
Now why can't you see  
That you always perturb me?  
So nearing the end of the world  
Just leave me alone  
Leave me alone  
Why can't you see that you always perturb me?

So nearing the end of the world

Leave me alone

Leave me alone

Baby, oh baby

Baby, my baby

Baby, oh babe

I miss you, la, la, la, la

Baby, oh baby

Baby, my babe

Baby, oh babe

I miss you
