

Baby – Serj Tankian

You came to me within a dream
Not everyone is who they seem
All these words we can't redeem
Like the great magic of our world
Corroborated by your words
Splitting planets into thirds
Baby, oh baby
Baby, my baby
Baby, oh babe
I miss you, la, la, la, la
Baby, oh baby
Baby, my babe
Baby, oh babe
I miss you
To all the leaves that fall in vain
While God and Goddess go insane
All these words in your domain
The watches kill time as the books read
Inadvertently we bleed
Fighting for what we deceive
Baby, oh baby
Baby, my baby
Baby, oh babe
I miss you, la, la, la, la
Baby, oh baby
Baby, my babe
Baby, oh babe
I miss you
Leave me alone
Leave me alone
Now why can't you see
That you always perturb me?
So nearing the end of the world
Just leave me alone
Leave me alone
Why can't you see that you always perturb me?

So nearing the end of the world

Leave me alone

Leave me alone

Baby, oh baby

Baby, my baby

Baby, oh babe

I miss you, la, la, la, la

Baby, oh baby

Baby, my babe

Baby, oh babe

I miss you
