

Merry Christmas everyone – Shakin' Stevens

Snow is fallin', all around me
Children playing, having fun
It's the season, love and understanding
Merry Christmas everyone
Time for parties, and celebrations
People dancing, all night long
Time for presents and exchanging kiss's
Time for singing christmas songs
We're gonna have a party tonight
I'm gonna find that girl
Underneath the mistletoe
We'll kiss by candle light
Room is swaying, records playing
All the old songs we love to hear
All I wish that everyday was Christmas
What a nice way to spend the year
We're gonna have a party tonight
I'm gonna find that girl
Underneath the mistletoe
We'll kiss by candle light
Snow is fallin', all around me
Children playing, having fun
It's the season, love and understanding
Merry Christmas everyone
Merry Christmas everyone
Merry Christmas everyone
Snow is fallin', all around me
Children playing, having fun
It's the season, love and understanding
Merry Christmas everyone
Snow is fallin', all around me
Children playing, having fun
It's the season, love and understanding
Merry Christmas everyone
Snow is fallin', all around me
Children playing, having fun

It's the season, love and understanding
Merry Christmas everyone
Merry Christmas everyone
Oh merry Christmas everyone
