

I love your smile – Shanice

Sitting in my class, just drifting away
Staring into the windows of the world, yeah
I can't hear the teacher, his books don't
Call me at all
I don't see the bad boys tryin' to catch
Some play
'Cause I love your smile
I love your smile
The clock at work says three
And I wanna be free
Free to scream, free to bathe, free to paint
My toes all day
My boss is lame you know, and so is the pay
I'm gonna put that new black mini on my
Charge anyway
'Cause I love your smile
(Hey) Said I love your smile
Time came and showed me your direction
Now I know I'll never ever go back
Taught me that
I can be a better girl
With love you give, you rock my world
(You dig)
My whole world is beautiful
Blow, Branford, blow
Time came and showed me your direction
Now I know I'll never ever go back
Taught me that
I can be a better girl
With love you give, you rock my world
Smile, sike
Ooh, I love your smile (smile for me)
And yes I do, boy
I love your smile
I love your smile, baby

I love your smile
I really do
