

# In My Blood – Shawn Mendes

Help me

It's like the walls are caving in  
Sometimes I feel like giving up  
But I just can't  
It isn't in my blood

Laying on the bathroom floor  
Feeling nothing  
I'm overwhelmed and insecure  
Give me something  
I could take to ease my mind slowly  
Just have a drink and you'll feel better  
Just take her home and you'll feel better  
Keep telling me that it gets better  
Does it ever?

Help me

It's like the walls are caving in  
Sometimes I feel like giving up  
No medicine is strong enough  
Someone help me  
I'm crawling in my skin  
Sometimes I feel like giving up  
But I just can't  
It isn't in my blood

It isn't in my blood

I'm looking through my phone again  
Feeling anxious  
Afraid to be alone again, I hate this  
I'm trying to find a way to chill  
Can't breathe, oh  
Is there somebody who could help me

It's like the walls are caving in

Sometimes I feel like giving up  
No medicine is strong enough  
Someone help me  
I'm crawling in my skin  
Sometimes I feel like giving up  
But I just can't  
It isn't in my blood

It isn't in my blood

I need somebody now  
I need somebody now  
Someone to help me out  
I need somebody now

Help me  
It's like the walls are caving in  
Sometimes I feel like giving up  
But I just can't  
It isn't in my blood

It isn't in my blood  
It isn't in my blood  
I need somebody now  
It isn't in my blood  
I need somebody now  
It isn't in my blood
