

# It'll be okay – Shawn Mendes

Are we gonna make it?  
Is this gonna hurt?  
Oh, we can try to sedate it  
But that never works  
Yeah  
I start to imagine a world where we  
Don't collide  
It's making me sick but  
We'll heal and the sun will rise  
If you tell me you're leaving,  
I'll make it easy  
It'll be okay  
If we can't stop the bleeding  
We don't have to fix it,  
We don't have to stay  
I will love you either way  
Ooh-ooh,  
It'll be oh, be okay  
Ooh-ooh  
Oh, the future we dreamed of is fading  
To black  
Oh, there's nothing more painful  
Nothing more painful, oh-woah  
I start to imagine a world where we  
Don't collide  
And it's making me sick but we'll heal and  
the sun will rise  
If you tell me you're leaving,  
I'll make it easy  
It'll be okay  
And if we can't stop the bleeding  
We don't have to fix it, we don't  
Have to stay  
I will love you either way  
Ooh-ooh,  
It'll be oh, be okay

Ooh-oooh

I will love you either way

It might be so sweet

It might be so bitter

I will love you either way

It might be so sweet

It might be so bitter

Oh, if the future we've dreamed of

Is fading to black

I will love you either way
