## Mercy – Shawn Mendes

You've got a hold on me Don't even know your power

I stand a hundred feet But I fall when I'm around you

Show me an open door And you go and slam it on me

I can't take anymore I'm saying baby

Please have mercy on me Take it easy on my heart

Even though you don't mean to hurt me You keep tearing me apart

Won't you please have mercy, mercy on my heart Won't you please have mercy, mercy on my heart

I drive through the night Just to be near you baby

Heart open, testify Tell me that I'm not crazy

I'm not asking for a lot Just that you're honest with me

My pride Is all I got I'm saying baby

Please have mercy on me Take it easy on my heart Even though you don't mean to hurt me You keep tearing me apart

Won't you please have mercy on me I'm a puppet on your string

And even though you got good intentions I need you to set me free

Won't you please have mercy, mercy on my heart Won't you please have mercy, mercy on my heart

Consuming all the air inside my lungs Ripping all the skin from off my bones

I'm prepared to sacrifice my life I would gladly do it twice

Consuming all the air inside my lungs Ripping all the skin from off my bones

I'm prepared to sacrifice my life I would gladly do it twice

Please have mercy on me Take it easy on my heart

Even though you don't mean to hurt me You keep tearing me apart

Won't you please have mercy on me I'm a puppet on your string

And even though you got good intentions I need you to set me free

I'm begging you for mercy, mercy I'm begging you, (on my heart) begging you please baby

## I'm begging you for mercy, mercy Oh, I'm begging you, (on my heart) I'm begging you, yeah
