

So Human of You – Shireen

You say it's only words but they hurt so much
You think your hands are warm
But they are cold to the touch
Ooh, you fucking hate and manipulate,
Only I am no one
You think it's all right to be cruel,
It's so human of you
It was a cold cold day when things fell apart
It was a sad sad thing, this ice on my heart
Ooh, you think a person needs to be broken
So that's what you do
You think it's all right to be cruel
It's so human of you
So you smile, I see you smile and I cry
Drag me under, drag me down when I try, oh
To surface, not to let you take my smile
For I am strong, I can be stronger than lie
So you smile, I see you smile and I cry, oh
Drag me under, drag me down when I try, oh
To surface, not to let you take my smile
For I am strong, I can be stronger than lie
Drag me down, underwater
I can't breath, no one saves me
Drag me down, into sorrow
Take my hand, I'll drown you with me
Drag me down, underwater
I can't breath, no one saves me
Drag me down, into sorrow
Take my hand, I'll drown you with me
Drag me down, underwater
I can't breath, no one saves me
Drag me down, into sorrow
Take my hand, I'll drown you with me
So you smile, I see you smile and I cry
Drag me under, drag me down when I try, oh
To surface, not to let you take my smile

For I am strong, I can be stronger than lie
So you smile, I see you smile and I cry, oh
Drag me under, drag me down when I try, oh
To surface, not to let you take my smile
For I am strong, I can be stronger than lie
Drag me down, underwater
I can't breath, no one saves me
Drag me down, into sorrow
Take my hand, I'll drown you with me
Drag me down, underwater
I can't breath, no one saves me
Drag me down, into sorrow
Take my hand, I'll drown you with me
Drag me down, underwater
I can't breath, no one saves me
Drag me down, into sorrow
Take my hand, I'll drown you with me
