

# Alive – Sia

I was born in a thunderstorm  
I grew up overnight  
I played alone  
I'm playing on my own  
I survived

Hey  
I wanted everything I never had  
Like the love that comes with light  
I wore envy and I hated that  
But I survived

I had a one-way ticket to a place where  
all the d-emons go  
Where the wind don't change  
And nothing in the ground can ever grow  
No hope, just lies  
And you're taught to cry into your pillow  
But I survived

I'm still breathing [4x]  
I'm alive [4x]

I found solace in the strangest place  
Way in the back of my mind  
I saw my life in a stranger's face  
And it was mine

I had a one-way ticket to a place where  
all the demons go  
Where the wind don't change  
And nothing in the ground can ever grow  
No hope, just lies  
And you're taught to cry into your pillow  
But I survived

I'm still breathing [4x]

I'm alive [4x]

You took it all, but I'm still breathing [8x]

I have made every single mistake  
That you could ever possibly make  
I took and I took and I took what you gave  
But you never noticed that I was in pain  
I knew what I wanted; I went out and got it  
Did all the things that you said that I wouldn't  
I told you that I would never be forgotten  
And all in spite of you

And I'm still breathing  
I'm still breathing  
I'm still breathing  
I'm still breathing  
I'm alive (You took it out, but I'm still breathing)  
(You took it out, but I'm still breathing)  
I'm alive (You took it out, but I'm still breathing)  
(You took it out, but I'm still breathing)  
I'm alive (You took it out, but I'm still breathing)  
(You took it out, but I'm still breathing)  
I'm alive

I'm alive [4x]
