

My Love – Sia

My love, leave yourself behind

Beat inside me, leave you blind

My heart, you have found peace

You were searching for relief

You gave it all, gave into the call

You took a chance and

You took the fall for us

You came thoughtfully, loved me faithfully

You taught me honor, you did it for me

Today you will sleep your way

You will wait for me my love

Now I'm strong (Now I'm strong)

You gave me all

You gave all you had and now I'm whole

My love, leave yourself behind

Beat inside me, leave you blind

My heart, look what you can do

I'm mended, I'll be with you

You took my hand, you added a plan

You gave me your heart

I asked you to dance with me

You loved honestly

Gave what you could release

I know in peace you'll go

I hope relief is your's

Now I'm strong (Now I'm strong)

You gave me all

You gave all you had and now I'm whole

My love

Beat inside me

Leave you blind

My love, leave yourself behind

Beat inside me

I'll be with you
