

Melody – Sigala

La-la-la-la-la-la-la, la-la-la-la-la-la
La-la-la-la-la-la-la, la-la-la-la-la-la
We could do this all night,
We could see the sun
Rise
Oh yeah, oh, oh yeah
This is what it feels like,
Fallin' for the first time
Oh yeah, oh, oh yeah
Let's lose control from our head to our toes
Now you don't have to be alone
Look at the time, tell me, where did it go?
I don't wanna go home
We'll be dancing 'til nirvana,
Moonlight leads the way
I hear a thousand songs
But you're the only melody
If we're dancing 'til tomorrow,
Need you next to me
I hear a thousand songs
But you're the only melody
La-la-la-la-la-la-la, la-la-la-la-la-la
La-la-la-la-la-la-la, la-la-la-la-la-la
La-la-la-la-la-la-la, la-la-la-la-la-la
La-la-la-la-la-la-la, la-la-la-la-la-la
We'll be dancing 'til nirvana,
Moonlight leads the way
I hear a thousand songs
But you're the only melody
If we're dancing 'til tomorrow,
Need you next to me
I hear a thousand songs
But you're the only melody
La-la-la-la-la-la
Whisper to me real slow, I don't wanna let go
Oh yeah, oh, oh yeah

It just went out into,
Help me sing it in tune
Oh yeah, oh, oh yeah
Let's lose control from our head to our toes
Now you don't have to be alone
Look at the time, tell me, where did it go?
I don't wanna go home
We'll be dancing 'til nirvana,
Moonlight leads the
Way
I hear a thousand songs
But you're the only melody
If we're dancing 'til tomorrow,
Need you next to me
I hear a thousand songs
But you're the only melody
La-la-la-la-la-la-la, la-la-la-la-la-la
La-la-la-la-la-la-la, la-la-la-la-la-la
La-la-la-la-la-la-la, la-la-la-la-la-la
La-la-la-la-la-la-la, la-la-la-la-la-la
We'll be dancing 'til nirvana,
Moonlight leads the Way
I hear a thousand songs but you're the only
Melody
If we're dancing 'til tomorrow,
Need you next to me
I hear a thousand songs
But you're the only melody
La-la-la-la-la-la
