

Changing – SIGMA & Paloma Faith

Hell down, heaven down
Living in the same town
Tryna find something new
Vocal beats a frame
I've been frozen in
Tryna find a better view
This ain't real, this ain't cool
This ain't what I signed up to
This ain't right, it's no good
No good, oh
Everything is changing
And I've been here for too long
Going through the same things
I've been hurting too long, got to move on
Say I
I can't do this anymore
If everything is changing
And I know, you'll find it
I don't understand playing by the same hand
How you find something new
I can't work it out, what it's all about
I won't live my life through you
This ain't real, this ain't cool
This ain't what I signed up to
This ain't right, it's no good
No good, oh
Everything is changing
And I've been here for too long
Going through the same things
I've been hurting too long, got to move on
Say I
I can't do this anymore
If everything is changing
And I know, you'll find it
Got to let go
Got to let go

I've been here for too long
I've been here for too long
I've been here for too long
I've been here for too long
I've been here for too long
I've been here for too long
I've been here for too long
I've been here for too long
Everything is changing
