

# Touch In The Night – Silent Circle

I remember all the cries  
It's a secret dream  
I'm lost in your love  
You, your lonesome eyes  
Are all I wanna know  
Helpless tears  
Can never stop the rain  
Only you can turn my life  
Can turn it just this way  
Touch in the night  
It feels like heaven  
Touch in the night  
So lucky in love  
Lost in your light  
Another secret  
Touch in the night  
Whatever I do  
You, my angel in disguise  
Deep inside my heart  
Like the inner light  
I believe in all your promise and your lies  
But I feel in the end I'll lose  
Only you can turn my life  
Can turn it just this way  
Touch in the night  
It feels like heaven  
Touch in the night  
So lucky in love  
Lost in your light  
Another secret  
Touch in the night  
Whatever I do  
Only you can turn my life  
Can turn it just this way  
Touch in the night  
It feels like heaven

Touch in the night  
So lucky in love  
Lost in your light  
Another secret  
Touch in the night  
Whatever I do
