

If You Dont Know Me By Now – Simply Red

If you don't know me by now
You will never, never, never know me
Oooh
Now all the things
That we've been through
You should understand me
Like I understand you
Now girl I know the difference
Between right and wrong
I ain't gonna do nothing
To upset our happy home
Don't get so excited
When I come home
A little late at night
You know we only act like children
When we argue fuss and fight
If you don't know me, baby
(You will never never never know me)
No, you won't (oooh)
Oooh, yeah, c'mon
Oh, if you don't know me, girl
(You will never never never know me)
You (Uuuh)
We've all got
Our own funny moods
I've got mine
I bet you woman you've got yours too
You better trust in me like I trust in you
As long as we've been together
It should be so easy to do
Just get yourself together
Or we might as well say goodbye
What good is a love affair
When you can't see eye to eye
If you don't know me, baby
(You will never never never know me)

No, you won't (Oooh)
No, you won't, no, you won't, no, you won't
Twenty long years we've been together
(You will never never never know me)
(Ooohh) ooh ooh-ooh oh
Well
Oooh (You will never never never know me)
No, you won't (oooh)
