

# It's Only Love – Simply Red

It's only love, it's only love  
It's only love, it's only love  
Don't be afraid to touch me, babe  
Girl, let's be real  
There's nothing wrong  
With the way we're carrying on  
So enjoy and live, because  
It's only love doing its thing, baby  
It's only love that you're feeling, girl,  
You're feeling  
It's only love doing its thing, baby  
It's only love that you're giving,  
You're giving  
I wanna stay with you night and day  
Until the end of time  
It's okay when you lay  
Lay your body next to mine, because  
It's only love doing its thing, baby  
It's only love that you're feeling, girl,  
You're feeling  
It's only love doing its thing, baby  
It's only love that you're giving,  
You're giving  
I wanna stay with you night and day  
Until the end of time  
It's okay when you lay  
Lay your body next to mine, because  
It's only love doing its thing, baby  
It's only love that you're feeling, girl,  
You're feeling  
It's only love doing its thing, baby  
It's only love that you're giving, yeah  
It's only love doing its thing, baby  
It's only love that you're feeling  
It's only love doing its thing, baby  
It's only love that you're giving

It's only love doing its thing, baby  
It's only love that you're feeling  
It's only love doing its thing, baby  
It's only love that you're giving  
It's only love doing its thing, baby  
It's only love that you're feeling
