## Stars – Simply Red

Anyone who ever held you Would tell you the way I'm feeling Anyone who ever wanted you Would try to tell you what I feel inside The only thing I ever wanted Was the feeling that you ain't faking The only one you ever thought about Wait a minute can't you see

That I wanna fall from the stars Straight into you arms I I feel you I hope you comprehend

For the man who tried to hurt you He's explaining the way I'm feeling For all the jealousy I caused you States the reason why I'm trying to hide As for all the things you taught me It sends my future into clearer dimensions You'll never know how much you hurt me Stay a minute can't you see

That I wanna fall from the stars Straight into your arms I, I feel you I hope you comprehend

Too many hearts are broken A lover's promise never came with a maybe So many words are left unspoken The silent voices are driving me crazy As for all the pain you caused me Making up could never be your intention You'll never know how much you hurt me Stay can't you see That I wanna fall from the stars Straight into your arms I, I feel you I hope you comprehend

That I wanna fall from the stars Straight into your arms I, I feel you I hope you comprehend
