

Hallucinations – Sissal

You show me more
More than meets the eye
You open all the doors inside my mind
I see colours I never saw before
A thousand shades of light come to life
Making me question all that I thought true
All that I'm seeing through you
My vision's blurry, but I can see clearly
Maybe I'm losing control
You're my hallu-
Hallucination
Hallu-
Hallucination
I'm paranoid
Slipping from reality
You're leading me into another fantasy
Oh, making me question
All that I thought true
All that I'm seeing through you
My vision is blurry, but I can see clearly
Maybe I'm losing control
You're my hallu-
Hallucination
Hallu-
Hallucination
A new
Revelation
Hallu-
Hallucination
Worlds are changing, darkness fading
I follow you to the end and now I'm changing
It's a new sensation, ooh
Hallucination
You're my hallu-
Hallucination
Hallu-

Hallucination
Hey yeah-yeah-yeah
Hey yeah-yeah-yeah
Hallucination
You're my hallu-
Hallucination
Hallu-
Hallucination
