

# All You Wanna Do – Six: The Musical (feat Aimie Atkinson)

All you wanna do  
All you wanna do, baby  
I think we can all agree  
I'm a ten amongst these threes  
All you wanna do  
All you wanna do, baby  
And ever since I was a child,  
I'd make the boys go wild  
All you wanna do  
All you wanna do, baby  
Take my first music teacher, Henry Manno  
I was young it's true but even then I knew  
The only thing you wanna to do is  
Broad, dark, sexy Manno  
Taught me all about dynamics  
He was 23  
And I was 13 going on 30  
We'd spend hours strumming the lute  
Striking the chords and blowing the flute  
He plucked my strings all the way to G  
Went from major to minor, C to D  
Tell me what you need  
What you want, you don't need to plead  
'Cause I feel the chemistry  
Like I get you and you get me  
And maybe this is it  
He just cares so much, it feels legit  
We have a connection  
I think this guy is different  
'Cause  
All you wanna do  
All you wanna do, baby  
Is touch me, love me, can't get enough, see  
All you wanna do  
All you wanna do, baby

Is please me, squeeze me,  
Birds and the bees me  
Run your fingers through my hair  
Tell me, I'm the fairest of the fair  
Playtime's over  
The only thing you wanna do is  
But then there was another guy  
Francis Dereham  
Serious, stern and slow  
Gets what he wants, and he won't take no  
Passion in all that he touches  
The sexy secretary to the Dowager Duchess  
Helped him in his office,  
Had a duty to fulfil  
He even let me use his favourite quill  
Spilled ink all over the parchment,  
My wrist was so tired  
Still I came back the next day as he required  
You say I'm what you need  
All you want, you don't need to plead  
'Cause I feel the chemistry  
Like I get you and you get me  
And I know this is it  
He just cares so much, this one's legit  
We have a real connection  
I'm sure this time is different  
'Cause  
All you wanna do  
All you wanna do, baby  
Is touch me, love me, can't get enough see  
All you wanna do  
All you wanna do, baby  
Is please me, squeeze me,  
Birds and the bees me  
You can't wait a second more to get  
My corset on the floor  
Playtime's over  
The only thing you wanna do is  
Yeah, that didn't work out  
So I decided to have a break from boys

And you'll never guess who I met  
Tall, large, Henry the Eighth  
Supreme head of the Church of England  
Globally revered  
Although you wouldn't know it  
From the look of that beard  
Made me a lady in waiting  
Hurled me and my family up in the world  
Gave me duties in court  
And he swears it's true  
That without me, he doesn't know what he'd do  
You say I'm what you need  
All you want, we both agree  
This is the place for me  
I'm finally where I'm meant to be  
Then he starts saying all this stuff  
He cares so much, he calls me love  
He says we have this connection  
I guess it's not so different  
'Cause  
All you wanna do  
All you wanna do, baby  
Is touch me, love me, can't get enough, see  
All you wanna do  
All you wanna do, baby  
Is seize me, squeeze me,  
Birds and the bees me  
There's no time for when or how 'cause you  
Just got to have me now  
Playtime's over  
The only thing you wanna do is  
So we got married  
Woo  
With Henry, it isn't easy  
His temper's short, and his mates are sleazy  
Except for this one courtier  
He's a really nice guy, just so sincere  
The royal life isn't what I planned  
But Thomas is there to lend a helping hand  
So sweet, makes sure that I'm okay

And we hang out loads when the King's away  
This guy finally  
Is what I want, the friend I need  
Just mates, no chemistry  
I get him and he gets me  
And there's nothing more to it  
He just cares so much, he's devoted  
He says we have a connection  
I thought this time was different  
Why did I think he'd be different?  
But it's never, ever different  
'Cause  
All you wanna do  
All you wanna do, baby  
Is touch me, when will enough be enough?  
See  
All you wanna do  
All you wanna do, baby  
Squeeze me, don't care if you don't please me  
Bite my lip and pull my hair  
As you tell me, I'm the fairest of the fair  
Playtime's over  
Playtime's over  
Playtime's over  
The only thing  
The only thing  
The only thing you wanna do is
