

# Maybe It's Time – Sixx: A.M.

All the scars, and all the lines  
On my face they show the times  
I've abandoned my own life, why?  
I can't breathe, I can't eat  
So I just drink myself to sleep  
And embrace this morbid price  
Maybe it's time to heal,  
Maybe it's time to try  
Maybe it's time to deal  
With all the pieces in my life  
Maybe I'll sober up,  
Maybe before I die  
Maybe I'll finally deal  
With all the wreckage in my life  
Maybe it's time  
Whoooooooooaaaaa  
Maybe it's time  
I'm older now, I'm breaking down  
My regrets they turn to dust  
And soon enough they'll blow away  
When I was young, I was dumb  
I was never strong enough  
I wish I had the guts to say  
Maybe it's time to heal,  
Maybe it's time to try  
Maybe it's time to deal  
With all the pieces in my life  
Maybe I'll sober up,  
Maybe before I die  
Maybe I'll finally deal  
With all the wreckage in my life  
Maybe it's time  
And this was self-inflicted  
Yeah I was on a mission  
To ruin everything in life  
But now I'm so damn ready

Just take my hand and steady  
And we will make it through the night  
Maybe it's time to heal,  
Maybe it's time to try  
Maybe it's time to deal  
With all the pieces in my life  
Maybe I'll sober up,  
Maybe before I die  
Maybe I'll finally deal  
With all the wreckage in my life  
Wohoooooooooooo  
Maybe it's time  
Maybe it's time  
Maybe it's time  
Maybe it's time  
Maybe it's time
