

Not Gonna Die – Skillet

Death surrounds
My heartbeat's slowing down
I won't take this world's abuse
I won't give up, I refuse
This is how it feels
When you're bent and broken
This is how it feels
When your dignity's stolen
When everything you love is leaving
You hold on to what you believe in
The last thing I heard
Was you whispering goodbye
And then I heard you flatline
No, not gonna die tonight
We're gonna stand and fight forever
(Don't close your eyes)
No, not gonna die tonight
We're gonna fight for us together
No, we're not gonna die tonight
Break their hold
'Cause I won't be controlled
They can't keep their chains on me
When the truth has set me free
This is how it feels
When you take your life back
This is how it feels
When you finally fight back
When life pushes me I push harder
What doesn't kill me makes me stronger
The last thing I heard
Was you whispering goodbye
And then I heard you flatline
No, not gonna die tonight
We're gonna stand and fight forever
(Don't close your eyes)
No, not gonna die tonight

We're gonna fight for us together
No, we're not gonna die tonight
Don't you give up on me
You're everything I need
This is how it feels when
You take your life back
This is how it feels when
You fight back
No, not gonna die tonight
We're gonna stand and fight forever
(Don't close your eyes)
No, not gonna die tonight
We're gonna fight for us together
No, we're not gonna die tonight
No, we're not gonna die tonight
Not gonna die
(Not gonna die)
Not gonna die
(Not gonna die)
Not gonna die tonight
