

# Not Gonna Die – Skillet

Death surrounds  
My heartbeat's slowing down  
I won't take this world's abuse  
I won't give up, I refuse  
This is how it feels  
When you're bent and broken  
This is how it feels  
When your dignity's stolen  
When everything you love is leaving  
You hold on to what you believe in  
The last thing I heard  
Was you whispering goodbye  
And then I heard you flatline  
No, not gonna die tonight  
We're gonna stand and fight forever  
(Don't close your eyes)  
No, not gonna die tonight  
We're gonna fight for us together  
No, we're not gonna die tonight  
Break their hold  
'Cause I won't be controlled  
They can't keep their chains on me  
When the truth has set me free  
This is how it feels  
When you take your life back  
This is how it feels  
When you finally fight back  
When life pushes me I push harder  
What doesn't kill me makes me stronger  
The last thing I heard  
Was you whispering goodbye  
And then I heard you flatline  
No, not gonna die tonight  
We're gonna stand and fight forever  
(Don't close your eyes)  
No, not gonna die tonight

We're gonna fight for us together  
No, we're not gonna die tonight  
Don't you give up on me  
You're everything I need  
This is how it feels when  
You take your life back  
This is how it feels when  
You fight back  
No, not gonna die tonight  
We're gonna stand and fight forever  
(Don't close your eyes)  
No, not gonna die tonight  
We're gonna fight for us together  
No, we're not gonna die tonight  
No, we're not gonna die tonight  
Not gonna die  
(Not gonna die)  
Not gonna die  
(Not gonna die)  
Not gonna die tonight
