

Tormentor – Slayer

Afraid to walk the streets
In the coldness all alone
The blackness of the night
Engulfs your flesh and bones
Hoping for relief
From the fear you feel inside
Losing all perspective
Of reality in the night
Running from shadows, blinded by fear
The horror of nightfall is ever so near
I slowly surround you as terror sets in
Are you afraid of the night?
I see the fright in your eyes
As you turn and run
But is your mind playing tricks
On a body so very young
Feeling as if no one cares,
The fear runs down your spine
But I know I'll never rest
Until I know you're mine
Running from shadows, blinded by fear
The horror of nightfall is ever so near
I slowly surround you as terror sets in
Are you afraid of the night?
Afraid to walk the streets
In the coldness all alone
The blackness of the night
Engulfs your flesh and bones
Feeling as if no one cares,
The fear runs down your spine
But I know I'll never rest
Until I know you're mine
I know you're mine!
Too late to hide!
Too late to save your life!
Tormentor!
