

# Already Gone – Sleeping At Last

Remember all the things we wanted  
Now all the memories they're haunted  
We were always meant to say goodbye  
Even with our face held high  
It never would have worked out right  
We were never meant for do or die

I didn't want us to burn out, I  
I didn't come here to hurt you, now I can't stop

I want you to know  
It doesn't matter  
Where we take this road  
But someone's gotta go  
And I want you to know  
You couldn't have loved me better  
But I want you to move on  
So I'm already gone

Looking at you makes it harder  
But I know that you'll find another  
Doesn't always make you want to cry  
It started with the perfect kiss then  
We could feel the poison set in  
Perfect couldn't keep this love alive

Know that I love you so  
I love you enough to let you go

I want you to know  
It doesn't matter  
Where we take this road  
But someone's gotta go  
And I want you to know  
You couldn't have loved me better  
But I want you to move on

So I'm already gone  
So I'm already gone

Remember all the things we wanted  
Now all the memories they're haunted  
We were always meant to say goodbye
