My Plague - Slipknot

I'm in conniptions for the final act You came here for The one derivative you manage is The one I abhor I need a minute to elaborate for everyone the Everyday bullshit things that you have done Your impossible ego fuck is like a Megalomaniacal tab on my tongue You fuckin' touch me I will rip you apart I'll reach in and take a bite out of that Shit you call a heart Ya ya ya I don't mind being ogled, ridiculed Made to feel minuscule If you consider the source, It's kinda pitiful The only thing you really know about me is That's all you'll ever know I know why you plague me I know why you blame yourself I know why you plague me I know why you blame Yourself I'm turning it around like a knife In the shell I want to understand why, But I'm hurting myself I haven't seen a lotta reasons to stop it I can't just drop it I'm just a bastard, but at least I admit it At least I admit it I know why you plague me I know why you blame yourself I know why you plague me I know why you blame

Yourself

Kill you, fuck you, I will never be you
Kill you, fuck you, I will never be you
I can't fuckin' take it anymore
A snap of the synapse
And now it's fuckin' war
Kill you, fuck you, I will never be you
I know why you plague me
I know why you blame yourself
I know why you blame yourself
I know why you plague me
I know why you blame yourself
