

People = Shit – Slipknot

Yeah

Yeah

Yeah

Come on

Here we go again, motherfucker

Yeah

Come on down and see the idiot right here

Too fucked to beg and not afraid to care

What's the matter with calamity anyway?

Right? Get the fuck outta my face

Understand I can't feel anything

It isn't like I wanna sift through the decay

I feel like a wound like I got a fucking gun

Against my head

You live when I'm dead

One more time, motherfucker

Everybody hates me now, so fuck it

Blood's on my face and my hands

And I don't know why I'm not afraid to cry

But that's none of your business

Whose life is it?

Get it? See it? Feel it? Eat it?

Spin it around so I can spit in its face

I wanna leave without a trace

'Cause I don't wanna die in this place

People equal shit

People equal shit

People equal shit

People equal shit

People equal shit,

What you gonna do?

People equal shit,

'cause I'm not afraid of you

People equal shit,

I'm everything you'll never be

People equal shit, yeah

Yeah
Come on
It never stops,
You can't be everything to everyone
Contagion, I'm sitting at the side of Satan
What do you want from me?
They never told me the failure
I was meant to be
Overdo it, don't tell me you blew it
Stop your bitching
And fight your way through it
I'm not like you, I just fuck up
Come on, motherfucker, everybody has to die
Come on motherfucker, everybody has to die
People equal shit
People equal shit
People equal shit
People equal shit
People equal shit
People equal shit,
Yeah
People equal shit,
Yeah
People equal shit,
Yeah
People equal shit,
Yeah
People equal shit
People equal shit
People equal shit
People equal shit
People equal shit,
What you gonna do?
People equal shit,
'cause I'm not afraid of you
People equal shit,
I'm everything you'll never be
People equal shit
Got that, right?
