

Sa lame – Small Jam

Started out like by hem never
Turn out this way
Like love hem true
Umi sa share'm together
Umi too young to realize
That love made us unite
We took this chance it's in your hands
Baby don't let it fall
Za lame
Neqi kotake pondeke pia rea
Yana nanda su vere
Poro ve vei nga
Ura taqe, veri roqu guitar pore maka
Mina lea soghago oh
But hem hard for me to let you go
Letem you go, oh yeah
Distance and places we umi stap
And me sa tingim u tumas
Happy and sorreh in love umi bearem
And umi learn to live from our mistakes
Coz that's what life is
Don't let it fall again
Za lame
Neqi kotake pondeke pia rea
Yana nanda su vere
Poro ve vei nga
Ura taqe, veri roqu guitar pore maka
Mina lea soghago oh
Pa sari qi nani
Pa sa kolo napo
Vei si ghoi pa vei tu si ghoi
Maeva lomosori qi nani kolo
Paleke pulemae
Nia kukuruna buloqu
Yet me sit down ana me wonder where na
U stap my love, buloqu

Call you up, you no answers mekem me wonder

Baby gele u lo vea sighei

You true lo vea sighei

Za lame

Neqi kotake pondeke pia rea

Yana nanda su vere

Poro ve vei nga

Ura taqe, veri roqu guitar pore maka

Mina lea soghago oh

Za lame

Neqi kotake pondeke pia rea

Yana nanda su vere

Poro ve vei nga

Ura taqe, veri roqu guitar pore maka
