

# Wake Up – Smash Into Pieces

You cannot resist  
Like a moth to a flame  
You know it will burn  
But sometimes you enjoy the pain  
This is your favorite game  
But you're gonna be defeated  
And you're never gonna beat it  
Controls you like a slave  
But you gotta stop pretending  
You won't get a happy ending  
Someday you're gonna wake up  
Gonna wake up  
From a life in fantasy  
(Life in fantasy)  
Someday you're gonna wake up  
Gonna wake up  
And realize it's not meant to be  
(It's not meant to be)  
You stumble in the dark  
'cause you close your eyes  
Guided by the sweet talk lullaby  
But someday you will wake up  
You will wake up  
From a life in fantasy  
Wake up!  
Wake up!  
(INSTRUMENTAL)  
You try to cut everyone out of your life  
So no one can question  
How you can believe the lies  
This is your favorite game  
But you're gonna be defeated  
And you're never gonna beat it  
Controls you like a slave  
But you gotta stop pretending  
You won't get a happy ending

Someday you're gonna wake up  
Gonna wake up  
From a life in fantasy  
(Life in fantasy)  
Someday you're gonna wake up  
Gonna wake up  
And realize it's not meant to be  
(It's not meant to be)  
You stumble in the dark  
'cause you close your eyes  
Guided by the sweet talk lullaby  
But someday you will wake up  
You will wake up  
From a life in fantasy  
Wake up!  
You're in the fire, what do you do?  
You wake up  
The final round is waiting for you  
Someday you're gonna wake up  
Gonna wake up  
From a life in fantasy  
(Life in fantasy)  
Someday you're gonna wake up  
Gonna wake up  
And realize it's not meant to be  
(It's not meant to be)  
You stumble in the dark 'cause  
You close your eyes  
Guided by the sweet talk lullaby  
But someday you will wake up  
You will wake up  
From a life in fantasy  
WAKE UUUUUUP!
