

# Needles and Pins – Smokie

I saw her today, I saw her face  
It was a face I loved, and I knew  
I had to run away  
And get down on my knees and pray  
That they'd go away but still they begin  
Needles and pins  
Because of all my pride  
The tears I gotta hide  
I thought I was smart, I'd won a heart  
I don't think I do but now you see  
She's worse to him and me  
Let her go ahead and take this love instead  
And one day she will see  
Just how to say, "Please"  
And get down on her knees  
That's how they begin  
She'll feel those needles and pins  
Hurtin' her, hurtin' her  
Why can't I stop and tell myself I'm wrong,  
I'm wrong, so wrong  
Why can't I stand up,  
and tell myself I'm strong  
Because I saw her today, I saw her face  
It was a face I loved, and I knew  
I had to run away  
And get down on my knees and pray  
That they'd go away but still they begin  
Those needles and pins  
Because of all my pride  
The tears I gotta hide  
Oh, needles and pins  
Needles and pins  
Needles and pins  
Needles and pins  
Needles and pins  
Needles and pins
