

Come Back Home - obniżona tonacja – Sofia Carson

We're drowning in our eyes
Don't know what we'll find
I'm not sure, should we fly or fight this?
We're terrified
Pretending now that we don't care
But tension cuts, cuts the air
We're more than scared
I'm drowning in your eyes
I'm terrified
I don't know what's happening to me
Can you hear my pulse beat underneath?
Words are getting hard for me to speak
That's new for me
Letting my fears show 'til I can face 'em
Letting my tears go 'til I can taste them
Hell, what do I know where you and I go?
Damn it, I hope you come back home
(Ooh) come back home
It's hard to sleep at night when
It's do or die
While our world spins 'round and 'round and
We're paralyzed
Pretending now that we don't care
But tension cuts, cuts the air
We're more than scared
So lost inside our eyes
We're terrified
Letting my fears show 'til I can face 'em
Letting my tears go 'til I can taste them
Hell, what do I know where you and I go?
Damn it, I hope you come back home
(Ooh) come back home
(Ooh) come back home
I don't know what's happening to me
Can you hear my pulse beat underneath?

Words are getting hard for me to speak
That's new for me
Letting my fears show
Letting my tears go
Hell, what do I know where you and I go?
Damn it, I hope
Letting my fears show 'til I can face 'em
Letting my tears go 'til I can taste them
Hell, what do I know where you and I go?
Damn it, I hope you come back home
(Ooh) oh, come back home
(Ooh) oh, come back home
