

# Riverbank – SOHN

33, I've been  
On the edge findin'  
Where my head fits in,  
All the lives I've led  
22, never  
Left the island  
So convinced I'd be  
What I would become  
20 years sat on the brink, I am a riverbank  
Oh, Lord, I'm waitin' for you  
20 years I've written my lines,  
So long I'm mummified  
And the river that I'm holdin',  
Never lost my vision  
Time is on my side, time is on my side  
41, I've done  
Things I'd murder for  
Raisin' boys is a  
Pedal to the floor  
I was twelve, I was  
Flexin' muscle in  
Dirty mirrors and  
You were bein' formed  
20 years sat on the brink, I am a riverbank  
Oh, Lord, I'm waitin' for you  
20 years, I've written my lines,  
So long I'm mummified  
And the river that I'm holdin',  
Never lost my vision  
But time is on my side, time is on my side  
(oh, my oh lord ooohh)  
64, will I  
Still be waitin'?  
Combed my hair back to  
Try to stop the past  
You'll be gone, you'll be

Livin' large in three  
City's far away,  
I will be in you  
20 years sat on the brink, I am a riverbank  
Oh, Lord, I'm waitin' for you  
20 years, I've written my lines,  
So long I'm mummified  
And the river that's still holdin',  
Never lost my vision  
Time is on my side, time is on my side  
Oh, Lord
