

# Back to friends – sombr

Touch my body tender  
'Cause the feeling makes me weak  
Kicking off the covers  
I see the ceiling  
While you're looking down at me  
How can we go  
Back to being friends  
When we just shared a bed?  
How can you look at me and pretend  
I'm someone you've never met?  
It was last December  
You were layin' on my chest  
I still remember  
I was scared to take a breath  
Didn't want you to move your head  
How can we go  
Back to being friends  
When we just shared a bed?  
How can you look at me and pretend  
I'm someone you've never met?  
The devil in your eyes  
Won't deny the lies  
You've sold  
I'm holding on too tight  
While you let go, this is casual  
O-o-o-o-o-o-o-o-o-o  
How can we go  
Back to being friends  
When we just shared a bed?  
How can you look at me and pretend  
I'm someone you've never met?  
How can we go  
Back to being friends  
When we just shared a bed?  
How can you look at me and pretend

I'm someone you've never met?  
I'm someone you've never met
