

FullMoon – Sonata Arctica

Sitting in a corner all alone,
Staring from the bottom of his soul,
Watching the night come in
From the window, window
It'll all collapse tonight,
The full moon is here again
In sickness and in health,
Understanding so demanding
It has no name, there's one for every season
Makes him insane to know
Running away from it all
"I'll be safe in a cornfields",
He thinks Hunted by his own,
Again he feels the moon rising on the sky
Find a barn which to sleep in,
But can he hide anymore
Someones at the door,
Understanding too demanding
Can this be wrong,
It's love that is not ending
Makes him insane to know
She should not lock the open door
Full moon is on the sky and
He's not a man anymore
Sees the change in Him but can't
See what became out of her man full moon
Swimming across the bay,
the night is gray, so calm today
She doesn't want to wait
"We've gotta make the love complete tonight"
In the mist of the morning
He cannot fight anymore
Thousands moon or more, he's been howling
Knock on the door,
And scream that is soon ending
Mess on the floor again

She should not lock the open door
Full moon is on the sky
And he's not a man anymore
Sees the change in him but can't
See what became out of her man
She should not lock the open door
Full moon is on the sky
And he's not a man anymore
Sees the change in him but can't
See what became out of her darling man
She should not lock the open door
Full moon is on the sky
And he's not a man anymore
See what became out of that man
