

# Can't Fight This Feeling – Sophie Ellis-Bextor

Just can't fight  
Just can't fight  
Just can't fight this feeling  
No I just can't fight this feeling  
We should be lovers  
We should be lovers  
No I just can't fight this feeling  
We should be lovers  
We should be lovers  
Standing in a crowded room  
But all I see is you  
Like the spotlight follows where you are  
Do you know I never want to leave your side  
Desire swallows up my pride  
I can't say no  
I want you so  
I've got to see this through  
Cause I just can't fight this feeling  
We should be lovers  
We should be lovers  
No I just can't fight this feeling  
We should be lovers  
We should be lovers  
No I just can't fight this feeling  
My head is spinning  
I think it's winning  
No I just can't fight this feeling  
And it's beating me down  
Falling only took a moment  
Your kiss charged my heart  
Just a touch could never be enough  
Do you know I'm over thrown and be can't saved  
I pray the night time makes my brave  
I have to show  
I want you so  
I've got to get to you

Cause I just can't fight this feeling  
We should be lovers  
We should be lovers  
No I just can't fight this feeling  
We should be lovers  
We should be lovers  
No I just can't fight this feeling  
My head is spinning  
I think it's winning  
No I just can't fight this feeling  
And it's beating me down  
Why don't you  
Why don't you  
Why don't you come for me  
Why don't you  
Why don't you  
Why don't you come for me  
Cause I just can't fight this feeling  
We should be lovers  
We should be lovers  
No I just can't fight this feeling  
We should be lovers  
We should be lovers  
No I just can't fight this feeling  
My head is spinning  
I think it's winning  
No I just can't fight this feeling  
And it's beating me  
Beating me  
Beating me down
