Outside - Stained

And you Bring me to my knees, again All the times That I could beg you please, in vain All the times That I felt insecure, for you And I leave My burdens at the door But I'm on the outside I'm lookin in I can see through you See your true colors Cuz inside you're ugly You're ugly like me I can see through you See to the real you All the times That I felt like this won't end, It's for you And I taste What I could never have, It was from you All the times That I've cried My intentions, Full of pride But I waste, more time than anyone But I'm on the outside I'm lookin in I can see through you See your true colors Cuz inside you're ugly You're ugly like me I can see through you See to the real you All the times That I've cried

All this wasting

And I feel All this pain I stuffed it down It's back again And I lie Here in bed All alone I cant mend But I feel Tomorrow will be ok But I'm on the outside I'm lookin in I can see through you See your true colors Cuz inside you're ugly You're ugly like me I can see through you See to the real you

It's all inside
