

# Dare – Stan Bush

Sometimes when your hopes have all been  
Shattered

There's nowhere to turn

You wonder how you keep going (going)

Think of all the things that really matter

And the chances you've earned

The fire in your heart is growing (growing)

You can fly if you try leaving the past

Behind

Heaven only knows what you might find

Dare

Dare to believe you can survive

You hold the future in your hand

Dare

Dare to keep all your dreams alive

It's time to take a stand

You can win if you dare

Everybody's trying to break your spirit

Keeping you down

Seems like it's been forever (ever) Oh!

There's another voice if you'll just hear it

Saying it's the last time

Looks like it's now or never

Out of the darkness you stumble into the

Light

Fighting for the things you know are right

Dare

Dare to believe you can survive

The power is there at your command

Dare

Dare to keep all your dreams alive

It's time to take a stand

You can win if you dare (dare) (dare)

Dare

Dare to believe you can survive

You hold the future in your hand

Dare

Dare to keep all your dreams alive

The power is there at your command

Oh! Dare

Dare to keep all your love alive

Dare to be all that you can be

Dare

There is a place where dreams survive

It's calling you on to victory

Dare

Dare

Ooooo Ohhh
