Muse - starlight

Far away This ship is taking me far away Far away from the memories Of the people who care if I live or die Starlight I will be chasing a starlight Until the end of my life I don't know if it's worth it anymore Hold you in my arms I just wanted to hold You in my arms My life You electrify my life Let's conspire to ignite All the souls that Would die just to feel alive I'll never let you go If you promise not to fade away Never fade away Our hopes and expectations Black holes and revelations Our hopes and expectations Black holes and revelations Hold you in my arms I just wanted to hold You in my arms Far away This ship is taking me far away Far away from the memories Of the people who care if I live or die I'll never let you go If you promise not to fade away Never fade away Our hopes and expectations Black holes and revelations, yeah

Our hopes and expectations

Black holes and revelations Hold you in my arms I just wanted to hold You in my arms I just wanted to hold
