

Alcoholic – Starsailor

Don't you know you've got your Daddy's eyes?

Daddy was an alcoholic,

But your mother kept it all inside,

Threw it all away,

I was looking for another you,

And I found another one,

I was looking for another you,

When I looked round by you were gone,

Stand by my side,

And the pipe dream is yours now,

Stand by my side,

And the cynics won't get in our way,

Don't you know you've got your Daddy's eyes?

Daddy was an alcoholic,

But your mother kept it all inside,

Threw it all away,

I was looking for another you,

And I found another one,

I was looking for another you,

When I looked round by you were gone,

Don't you know you've got your Daddy's eyes?

And Daddy was an alcoholic,

But your mother kept it all inside,

Threw it all away,

I was looking for another you,

And I found another one,

I was looking for another you,

When I looked round by you were gone,

Stand by my side,

And the pipe dream is yours now,

Stand by my side,

And the cynics won't get in our way,

I was looking for another chance,
See your blue eyed problem
